November 30, 2015

To All Hampton Families,

The Hampton Community Association in partnership with the Township of Hampton has received a matching \$100,000 grant for the purpose of new Community Park playground equipment. This equipment will be shipped in early 2016. Our hope is to raise the additional \$100,000 needed for excavation, drainage construction, base preparation (gravel, sheeting and bark mulch) for the equipment area and landscaping through donations from families in Hampton. We have received much help from the community and wish to give all a chance to participate.

We have approximately 7,000 families in our Township. Since we are a non-profit entity, any contributions made to Hampton Community Association are tax deductible. Giving contributions in this manner allows you to deduct the gift from your year-end taxes. A receipt will be sent to you if you wish. In helping the Township, there is no need for outside funding for this project and no future burden on the Township Budget. It is our hope you will consider participating. The goal is to have the playground ready for use by May 2016.

Site Preparation Funding Chart Goal is \$100,000:

Number of families contributing vs. contributions needed to obtain our goal:

7,000	6,000	5,000	4,000	3,000	2,000	1,000
\$14.25	\$16.57	\$20.00	\$25.00	\$33.34	\$50.00	\$100.00

Please consider this endeavor and donate what you are able. All donations are appreciated. Donations can be made in cash, check or at gofundme.com/hamptonplayground. Questions can be answered at hamptoncommunityassociation@gmail.com. If making a contribution now is not convenient, H.C.A. is a United Way recipient and our contribution number is 973216.

Thank you.

Sincerely,

Martha Hunkeler
